

Co-funded by the
Erasmus+ Programme
of the European Union

Digital Education Innovations Conference

Learn how to design, deliver and evaluate effective digital education through shared best practices, teaching tips, a quality standard framework, evaluation toolkit, RoadMap, train-the-trainer course and healthcare apps.

Developed over a three-year period by digital education experts across five countries and industries, get access to innovative and practical digital education resources.

For a hands on experience, please bring your own device (BYOD) (optional).

Free Wi-fi connectivity available at the event.

June 1 2022

10.00 AM - 04.00 PM
